

## AMERICAN SALUTE

*American Salute* was written by American composer Morton Gould (1913-1996) in 1943. He used the Civil War folksong "When Johnny Comes Marching Home" as its main theme. Many students are familiar with this tune from their own elementary music experiences.

*American Salute* is an example of THEME AND VARIATIONS. It also makes use of CALL AND RESPONSE between different groups of instruments. What do you think these terms mean? Use the spaces below to fill in their definitions.
